

# International Collaboration of PeriAnaesthesia Nurses ICPAN

*Promoting Global Excellence in PeriAnaesthesia Nursing*

## ICPAN Membership

Through the past ten years of Board outreach and Member support, the PeriAnaesthesia Nursing specialty has achieved what was previously missing: recognition and inclusion in global surgical team discussions.

The International Collaboration of PeriAnaesthesia Nurses, Inc. (ICPAN) is organized exclusively for educational and scientific purposes to ensure beneficial outcomes for patients, families, and populations.

### ICPAN advances Perianaesthesia Nursing knowledge and skills by means of:

**Membership** that confers status and global recognition of the member associations.

**Networks** of global perianaesthesia nursing associations that provide information and current practices related to the specialized perianaesthesia field.

**Advocacy** for Best Practices in Perianaesthesia Nursing. ICPAN is a member of the G4 Alliance, a global consortium committed to advancing patient safety and international team-based standards for safe perioperative practice.

**Opportunities** to identify research priorities and strengthen implementation science approaches among perianaesthesia nurses globally.

**Education** biennial conferences that provide opportunities for sharing of knowledge and collegial networking.

**Access** to peers and specialists in the field of perianaesthesia nursing through social media platforms and global scientific project work.

**Connections** to specialty resources and national/international conference networking opportunities.

**Research** links to the perianaesthesia research opportunities for global research/implementation pilot projects.

**Leadership** opportunities to develop personal and professional skills through active participation in work groups, the Global Advisory Council and ICPAN Board of Directors.

**Information** provided to potential members for establishing a new national association.

**Global Volunteer Opportunities** for development and advancement of Perianaesthesia Nurse education in countries having limited resources.

## How to Become a Member

Membership is open to Nurses and other health care professionals working in any environment/location where clients are undergoing general anaesthesia, regional anaesthesia, local anaesthesia, or procedural sedation.

Two membership categories exist: Organizational and Affiliate Member

**Organisational Membership** An established national association that promotes perianaesthesia nursing practice, supports the goals/objectives of ICPAN and pays annual membership fees. This category has the responsibility of electing a member of the national association who will represent their country as the National Organizational Representative on the GAC with the right to one vote. There can only be one national perianaesthesia organization in any given country that has the right to join ICPAN as the official national representative of perianaesthesia nurses in that country.

**Affiliate Membership** Any healthcare professional who is currently working in perianaesthesia care or has an interest in perianaesthesia patient care. This member supports ICPAN goals/objectives and pays an annual membership fee. These members are not eligible to sit on the GAC but receive all other membership benefits. Affiliate members shall have no voting rights.
