Awesome!

Fiona and I go to Sydney on 18/7 to do hospital visits and lock in details. Hopefully we can open more spaces 🐦

Hi all,

Just thought I would update you with the registrations numbers at the close of the extended Earlybird registration.

Our registration numbers are now at 315, with 196 Early full Registrations. It's a great result... and exceeds our initial budget forecast!

The Workshops and Hospital Tours have been popular. Numbers currently are:

Writing for Publication – 25 pax (4 people on the waitlist)

Novice Presenters – 42 pax (places available)

Prince of Wales Hospital Tour – 20 pax (19 people on the waitlist)

Chris O'Brien Lifehouse Tour – 19 pax (1 place available).

Fiona and Meg, do you have any updates on how many can do the hospital tours?

Thanks,

Jayne
